

Bird-proof spikes

Custom bird-proofing strips

The S24-PAA bird-proofing spike strips are the ideal solution for bird-proofing yagis, roofing or any surface with minimum 25mm width.

The spikes are able to be configured to your requirement with easily snap fitted spikes. Each S24-PAA section comes with 15 double spikes.

For extended lengths the S24-PAA has an easy clip together end to securely attached each section.

Additional bird-proofing and other installation accessories are all available separately.
