

EIA Air flange connectors

Air dielectric or air radiating cable

These EIA connectors are designed especially to suit 1-5/8" or 7/8" air dielectric cables. They are available individually, or can be supplied as part of a cable assembly, assembled to your requirements.

Specifications	78EIA7850-A	158EIA15850-A
Suitable cable	7/8" air dielectric or air radiating cable	1-5/8" air dielectric cable
Mating interface	7/8" EIA - air stop	1-5/8" EIA - air stop
Maximum frequency	3.7GHz	3.7GHz
Connector plating	Chrome	Chrome
Outer diameter	57mm	87mm
Length	76.5mm	120mm
Weight	700grams	1.45Kg
Joining kit contents (supplied)	1 x Joining bullet 1 x O-ring 3 x Bolts and nuts 6 x Washers	1 x Joining bullet 1 x Allen key 1 x O-ring 4 x Bolts and nuts 8 x Washers
