

EIA318-90EL

3-1/8" non-flanged rigid transmission line elbow

3-1/8" EIA male to 3-1/8" EIA female terminated

 In-stock
Ready to
Ship

Interface 1	3-1/8" EIA female unflanged
Interface 2	3-1/8" EIA male unflanged
Construction	Outer Conductor: Nickel plated red copper Inner conductor: Nickel plated red copper Insulator: PTFE Contact Pin: Silver plated phosphor bronze
Frequency range	DC ~ 2 GHz
Impedance - nominal	50 Ohms
Dimensions	130mm x 130mm x 79.4mm diameter - excl centre pin.
Weight	1.45kg
Durability	>100 mating cycles
Operating temperature	-45°C~+125°C
RoHS Compliant	Yes
